

## QUALITY POLICY

---

**INMESOL, S.L.U.**, adopts the **PRINCIPLES** that define its **QUALITY POLICY**, which are:

**Increase customer satisfaction levels and ensuring compliance with their requirements, needs, and expectations, as well as those of interested parties.**

All this entails establishing lines of action with specific objectives and goals that ensure a continuous improvement process for **Quality, to permanently enhance the effectiveness of our Quality Management System processes based on ISO 9001:2015 and European Directive 2000/14/EC, along with their amendments, European Directive 2005/88/EC and Delegated Regulation 2024/1208/EU.**

In line with the above within the scope of "**Design, manufacture, marketing and technical assistance for generating sets and lighting towers, measurement and verification of noise emissions**" the organisation's policy is:

- To carry out the design, manufacturing, marketing, and technical assistance services of generator sets and lighting towers, ensuring they meet customer requirements and the applicable legal obligations.
- To employ the most suitable practices and technologies in all our processes to ensure continuous improvement of the manufactured products.
- To ensure that our processes contemplate and comply with all applicable legal and regulatory requirements related **to for our activities, as well as any additional requirements the company voluntarily subscribes to.**
- To provide a framework for establishing quality objectives.
- To continuously improve the quality management system.

**This policy is appropriate to the organisation's purpose and context, and it is the responsibility of all company personnel to comply with these guidelines and their correct implementation. To achieve this, the Management is committed to providing all necessary human, technical, and financial resources, and to periodically reviewing the company's strategy, adapting it to any contextual changes that may arise.**

INMESOL, S.L.U. makes this Quality Policy available to its **Interested Parties** by publishing it on its website: [www.inmesol.com](http://www.inmesol.com)
